Congratulations, Faiq!

It is my honor to welcome you to DePaul University for the Fall 2023 quarter. Your dedication and hard work got you here, so be proud and celebrate this moment!

Your focus on academic excellence is just one of the many reasons why you have been awarded the Global DePaul Scholarship of \$24,000 per year, renewable for four years for a total of \$96,000.

As a student at DePaul, you'll be studying in Chicago, a vibrant and multicultural city. The diversity of culture and thought within the city is reflected in your classroom experiences. You'll find opportunities for internships and undergraduate research working alongside accomplished professors—setting you up for success here and beyond. We look forward to your impact on our campus community.

You will not be receiving a physical acceptance packet in the mail; all the information you need for your next steps are available [here](#) and in your [Blue Demon Domain](#). More information will be shared with you in the coming weeks, but in the meantime, we encourage you to join the official [Class of 2027 Facebook group](#) and get to know other incoming first-year students before you get to campus.

[Confirm your enrollment today to join the DePaul family!](#)

Students from across the country choose DePaul each year. We're excited for what you will share with the DePaul community and how you'll grow during your time here.

Welcome to DePaul, Faiq!

Sincerely,
